JAWS
BADNIK PIN-UP!

UK'S OFFICIAL
SEGA
COMIC

CONTROL ZONE

Hey, Boomers!

Stay cool as things are about to hot up ...

The World's fastest Blue Hedgehog stars in the conclusion to **Project Brutus**. Loony Decap Attackers Frank N Stein, Chuck-D-Head and Igor return with a skull-splitting new story. **Monster of the Year**. That 'other' Sega heavyweight, **Knuckles** stars in the second part of **The Homecoming**, and of course **The Cybernik** is fighting fit in **Sonic's World**. Oh, and mind those fingers 'cos **Jaws The Badnik** is the star of this issue's snappy centre page Pin-up.

The festive flapping season begins next issue, so prepare to have a **Chaotix Christmas** as the Crew return due to popular demand. Gotta go now, those humes have already found the turkey and nut roast crisps (two packets), which I'd hidden for the **STC Christmas** bash! I only hope my batteries can withstand the next two weeks. Wish me luck!

CORONATION STREET

So, a cracking **Corrie Compo** is on its way and by-eeck it's gonna be a good 'un!

Make sure you have an order for the very next issue of **STC** - the comic that's right up your street!

PRE-RELEASE VERSION

GAME TYPE: ACTION

PUBLISHER: VIACOM
PRICE: £44.99

Jekis, Oblina, and Krumm are trainee monster pupils at The Monster Academy. They hope to graduate to full time fright merchants and Terror Tutor/headmaster Gromble is at hand to brief them on the horrendous assignment that lies ahead.

Aaahh!!! Real Monsters takes the pupils through an assault course of twenty-five levels featuring locations such as the City Dump and the Natural History Museum. The task is to collect gruesome objects, frighten as many enemies as possible and to eventually scare the pants off the human Monster Hunter.

Using a three-way control feature, you have to get to grips with each monster's moves in order to overcome the many obstacles. Amusing defence moves include throwing trash to get rid of creepy crawlies and the scare tactic - very effective in frightening off unwanted humes.

Aaahh!!! Real Monsters - cool enough
 & the 2nd volume isn't bad either. It's full of
 humor, which is good for a 1st year movie. It was good
 & I like the music. I like the characters with the
 music. I like the way of the music. I like the

TOP TIPS

When you start a race, the car you are in will be in 10th place. This is because you are in the middle of the pack. If you want to win, you need to move up to 1st place. This can be done by using the 'Punch' button. This will make your car move forward. If you use it too often, you will lose control of the car. So, use it wisely.

MATT THE KNIFE!

Dear *STC*,

I have a great suggestion, why don't you change *STC* to a weekly comic so that us boomers can have twice as much fun?

Matthew Howland,
Ellon, Aberdeenshire.

*Mmm, it's not as if the extra workload would dent anyone's social life (none of the humes who work on *STC* have any friends, Matt!).*

Look out for the Chootla Crew - back in a new story next issue!

ALLO CHUCK!

Dear *STC*,

Please bring back the *Decap Attack* strip (even if I was the only one who liked it!). Lastly, well done on a comic which I have every issue of, and will continue to collect for a long time yet.

James Norriss.
Please supply address details.

You're not a lone Decapper, James, which is why The Decappers are back in the Monster of the Year strip this issue.
